

**Grants Pass Golf Club  
Green Committee Minutes  
April 4, 2011**

Gary Fahl called the meeting to order at 3pm. In attendance were Terry Soeteber, John Delaney, Mickey Rhodes, Dee Hushbeck, Matt Reams, Rex Titus and Dean Garrison.

John Delaney reported that the repair work on bunkers on #12 and #15 were completed. The new tee box on #10 is scheduled to be open for play on Friday, April 8th. The dead Oak tree on #18 has been removed and the stump has been removed also. The five seasonal crew members are on the job and very busy preparing the course for the pro am tournament April 9th and 10th.

Tees and greens will be aerified on the last monday and tuesday of April.

The rest of the meeting was devoted to reviewing the prioritized projects list for the Green Committee 5 year plan. The list of projects being submitted are as follows:

1. Rebuild members end of driving range
2. Replace main entrance sign and completely landscape the front entrance, from the cart sheds to the drive way
3. Finish phase 2 of the maintenance shop project
4. Develop fairway spray project
5. Upgrade and maintain irrigation system
6. Deepen and line ponds on #3 and #7
7. Rebuild 3 bunkers per year
8. Develop a tree planting plan and then put that plan into action (trees may be needed on holes # 12, 5 and 4)
9. Drainage project to include a drain down #6 to ditch, drain left side of #18 fairway, left side of #15 green and the right side of #1 fairway from 150 pole.
10. Build steps up on the back of #12 green
11. Build a permanent restroom for the front nine

Committee members had worked up projected cost estimates for each project and a brief description of why the project would be a good thing for the club to complete.
