

Grants Pass Golf Club
Minutes Pro & House Committee Meeting
March 4, 2010

Attending: Bob Blair, Daryl Boehm, Andy Dalisa, Kevin DeForest, Tom Jarvis, Terry Nelson and Matt Reams

The meeting was opened at 3:31 PM. The first item on the agenda (attached) was to complete the review of the Charter and clarify which items were the responsibility of the committee and which were the responsibility of the DoG. After Matt has responded with his recommendations, each committee member will select or be assigned a specific item(s) in the Charter . They will be the "lead person" responsible for that item(s) and report to the committee on progress and issues each month.

The second agenda item was to address the issues and problems that have been identified in our Rounds Database. Matt presented the revisions and improvements that he and the Pro Shop staff have made to the database. These are constructive changes that will give the Club better data on how the course is being utilized and therefore enable better decisions to be made as to new policies and programs.

The last agenda item was moving forward on developing more public play. Matt explained that there are some new ideas under consideration. The committee members stated that they support exploring new ideas but do not agree with any further delays in implementing the proposed Twilight rate that was presented at the February Board of Directors meeting. Matt told us that this topic would again be discussed with the Board on Friday, March 5, 2010 and he would inform us of the results.

The meeting was adjourned at 4:50PM. The minutes of the meeting have been recorded by Andy Dalisa, Chairman, Pro & House Committee.
