

**Grants Pass Golf Club
Pro & House Committee
Minutes of Meeting on April 13, 2011**

Old Business:

Mrs. Oakley presented the committee with several color options to repaint the banquet room. The committee selected a three color option and will present to the board at it's next meeting. We will also install a chair rail around the banquet room and it will separate two colors on the wall. The installation of the chair will cost additional. Mr. Dunkin will ask the board for additional funds.

Mr. Chandler is still checking out options for the TV's in the bar. He hasn't given up on the Twilight League. He's also getting new pricing for the three TV's

Mr. Myrick talked with the architect and he will do a sketch for the new storage area the is one of our long range goals. He also presented us with quotes on some banquet chairs.

Mr. Reams will provide both locker rooms with amenities.

New Business: There was no new business

John Dunkin, Chm.
