Minutes
Pro & House Committee Meeting
Sept 9, 2010

Attending: Andy Dalisa, Kevin DeForest and Tom Jarvis

The meeting was opened at 3:30 PM. Review of the operations of the pro shop, clubhouse and restaurant were discussed. Guest and public play revenue missed plan. Matt expects that the twilight greens fees rate that started at the end of August will boost public play revenue in the coming months. All other issues found in the monthly audits are being addressed by Matt and his staff.

The proposed budget for the first three months of the new fiscal year was provided to the Pro & House committee. Comments and suggestions will be given to Matt during the next two weeks.

The meeting was adjourned at 4:30 PM. The next meeting of the Pro & House committee will be on November 18, 2010.
