Old Business:

High School Golf was discussed. Marv said that the last season was better. The coaches were more involved. We will have 2 representatives of the Tournament Committee, along with our Golf Director, meet with the High School Coaches again this year and share with them our expectations of the teams for the coming year. Our Golf Director will oversee this program. The Tournament Committee would like a Code of Conduct signed by each member of the Golf Teams.

Handicaps: Per Ginny, We will get a new manual sometime in March. Jon mentioned that Randy would like to have another person certify so that he could be less involved. Ginny explained that when you get certified it is for four years, but could maybe have someone else certified but until this happens he will need to remain with it. Sue Bettencourt will also help with this. No new Business with the Handicaps.

The committee talked about starting to contact Businesses about sponsoring Tournaments for the coming season. It was decided that we needed to send out Thank You notes to the people that sponsored the last season. Markeith, Sue and Sherry will meet on the 11th and hand write the Thank You notes. Marv offered to call Boomer at Seven Feathers and secure his sponsorship for the coming year.

Tournaments need to be advertised sooner to give people time to get a team and sign up. Markeith will get this done for the Presidents Day Tournament coming up in February.

The Committee would like to have an e-mail list set up so we can contact members regarding tournaments. If there are members that would like to play but need a

partner, the pro shop could keep a list and make pairings from the lists. Need to contact the Golf Director about this.

New Business:

Need to add "PROPER GOLF ATTIRE" on all Tournament Entry Forms.

Jeff will be invited to meetings along with the Golf Director.

The committee suggested that as a part of the honor of being the Club Champions Male/Female they have a designated parking space for the year. The Club could have a sign made and installed at spaces decided by the board. Jon Robinson will talk to the Board about this.

Markeith will be talking to Randy about who to contact at the Courier about getting more publicity about the events at the club.

Markeith has asked about getting the pictures that were taken at last years Club Championship Dinner.

The Committee would like to get the Sponsor Tournament put back on the schedule. This is a great way to say "Thanks" to our sponsors.

Jon will request a budget disbursement of \$250 to the Committee from the Board in order to pay for the entire year's worth of table decorations, flowers, etc.

Next meeting for the Tournament Committee is Tuesday, February 2nd at 4:30.
