Tournament/Handicap Committee summary.

Present:

Markeith Wittkopf
Kent DeRocher
Dave Koch
DF Myrick

Due to a concurrent meeting I was unable to attend the full meeting of the committee. A summary follows.

The committee agreed upon verbiage for the Bylaws addressing professionals playing in our tournaments. We thank DF Myrick for his efforts on the wording. This follows. The Board will be asked for a vote on 10/08/09.

- Tournaments at the Grants Pass Golf Club are open to all members of the Club and its professional staff. The professional staff of the Club shall not receive any prizes or awards. Tournaments that permit outside play are open only to non golf professional players. An established USGA handicap is required for all tournament participants unless specifically waived by the Tournament Committee.

Markeith Wittkopf researched the cost differential on non-members vs, members playing in our tournaments. Of 8 tournaments listed, the difference ranges from \$0 to \$35, with 2 at \$0. Our pricing seems to be very much in line with other tournaments at other venues.

A preliminary 2010 Tournament schedule was produced. The goal was to reduce, or if unable to reduce, spread out the tournaments as much as possible. The proposed schedule met with the approval of the Committee.
